Transition Notice: EloPOS Pack Gen 1

Product Information

Please be advised that the first generation of the EloPOS Pack is being discontinued and replaced with the new EloPOS Pack 2. While we work to minimize product transitions, they are needed from time to time. This portfolio change is driven by key component life cycles and global trade dynamics and will help provide long-term sustainability of the EloPOS Pack.

The EloPOS Pack 2 maintains the same compact design and connectivity features as the first generation EloPOS Pack, with enhanced 14th Generation Intel processors.

Inventory and Ordering Information

- Please note, this transition does not impact custom, customer specific configurations.
- Last time buy orders will be accepted through **September 30, 2025** with last time ship to be completed by **March 31, 2026**.
- Please check with your distribution partner(s) for their current inventory levels.
- Recommended replacement parts may not be electrically or mechanically identical to the discontinued product.
- *MTO (Made-to-Order) SKUs require a quote and are subject to lead times and minimum order quantities.
