Product Notice: New E-Series No Stand Models

Product Information

To support our customers and the needs of the market, the E-Series 3 is now available without a stand. The new E-Series 3 models include the powerful N97 CPU, choice of Windows 11 OS or no OS, and integrated connectivity to support a variety of peripherals. Additionally, with a 75mm VESA mount, the E-Series offers the flexibility to fit a range of use cases—from point-of-sale and interactive signage to self-service and automation controls.

Inventory and Ordering Information

- Please consult with your sales representative for specific part numbers, details and sample availability.
