Transition Notice: 1598L 15” Open Frame Touch Display

Product Information

Please be advised that the 1598L Open Frame Touch Display is being discontinued and transitioned to the 1590L. While we work to minimize product changes, they are needed from time to time. When this occurs, we try to offer a suitable replacement product. The 1590L AccuTouch® model provides a physical drop-in replacement for the 1598L, using the same touch technology with a lower-brightness panel.
