PRODUCT MANAGEMENT BULLETIN

Oct 28th, 2026
Product Manager: Paul Futter

Product Management Bulletin Number: 000-827

Product Update: 2294L, 2494L and 2794L Non-Touch Open Frames

Product Information

Elo is expanding the 90-Series open frame line with new non-touch models in 22-, 24- and 27-inch sizes (2294L, 2494L and 2794L) to better serve our customers. The non-touch versions share the design and appearance of the existing touchscreen models, giving customers a consistent look across their product lineup in applications where touch functionality is not required.

Samples and Production Timeline

- Sample availability varies by region. Please consult with your sales representative for specific part numbers, details and sample availability.
- Mass production units will be available in November 2026.
