Quick Installation Guide
 Fingerprint Reader

Revision D
 P/N E001007

Installation

Please go to www.elotouch.com/support to verify you have the latest drivers before installing this device.

Select the location to mount the fingerprint reader. Some systems have more than one mounting option.

Install the 2 flat head screws included with the kit.

Remove the selected peripheral cover from the display head to expose the peripheral bay.

Remove the protective film from the included mylar covers and place the covers over the screws.

Gently press the fingerprint reader into the peripheral bay making sure the connector is mated.
