## **Quick Installation Guide**

# Android Computer Module for

Elo Interactive Digital Signage (IDS) Monitors

Revision B P/N E519829

## Installation

Please go to www.elotouch.com\support to download detailed user guide for this product

## **Security Cover Installation (optional)**

Remove the two cover plate screws and pull the cover plate out.

Install the top cover bracket using M3 screw included in kit.

Insert bottom cover bracket into the slots then slide downward until it snaps into place.

Slide the computer module into the opening until it stops.

Route any ECM cables through bottom cover bracket

### Tighten both thumbscrews.

Install security cover by tightening the two thumbscrews into the top and bottom cover brackets
